

## GE POWER TERMS OF PURCHASE REV. B – POLAND

1. **ACCEPTANCE OF TERMS.** Supplier agrees to be bound by and to comply with all terms set forth herein and on the purchase order (“**PO**”) to which these terms are attached or are incorporated by reference (each as amended or supplemented, and together with any specifications and other documents referred to herein or on the PO, collectively, this “**Order**”). This Order is an offer to purchase the goods and/or services (including any deliverables and required documentation) described herein. This Order shall not constitute an acceptance of any offer to sell, quotation or other proposal from Supplier, even if referred to in this Order. **Acceptance of this Order is expressly limited to the terms of this Order.** Buyer hereby notifies Supplier in advance that Buyer objects to any terms and conditions included with Supplier’s quotation, invoice or other document which are additional to or different than the terms of this Order, and none of such additional or different terms shall be part of the contract between Supplier and Buyer, unless specifically accepted by Buyer in a writing signed by an authorized representative of Buyer. This Order shall be irrevocably accepted by Supplier upon the earlier of: (a) Supplier’s issuing any acceptance or acknowledgement of this Order; or (b) Supplier’s commencement of the work called for by this Order in any manner. The terms set forth in this Order take precedence over any additional or different terms in any other document connected with this transaction unless such additional or different terms are: (i) part of a written agreement signed by both parties, which the parties have expressly agreed may override these terms in the event of a conflict (“**Agreement**”); or (ii) set forth on the PO to which these terms are attached. In the event these terms are part of an Agreement between the parties, the term “**Order**” used herein shall mean any purchase order issued under the Agreement.

## 2. **PRICES, PAYMENTS AND QUANTITIES.**

2.1 *Prices.* All prices are firm and shall not be subject to change. Supplier’s price includes all taxes, fees and/or duties applicable to the goods and/or services purchased under this Order; provided, however, that any value added tax that is recoverable by Buyer, local sales, use, excise and/or privilege taxes, if applicable, shall not be included in Supplier’s price but shall be separately identified on Supplier’s invoice. If Supplier is legally obligated to charge value added and/or similar tax, Supplier shall invoice Buyer in accordance with applicable rules to enable Buyer to reclaim such tax. Neither party is responsible for taxes on the other party’s income or the income of the other party’s personnel or subcontractors. If Buyer is legally required to withhold taxes for which Supplier is responsible, Buyer shall deduct such taxes from payment to Supplier and provide Supplier a valid tax receipt in Supplier’s name. Supplier warrants the pricing for any goods or services shall not exceed the pricing for the same or comparable goods or services offered by Supplier to third parties. Supplier shall promptly inform Buyer of any lower pricing levels for same or comparable goods or services, and the parties shall promptly make the appropriate price adjustment.

### 2.2 *Payment Terms.*

(a) **Standard Terms.** The ordinary net date (“**Net Date**”) shall be sixty (60) days after the Payment Start Date. The “**Payment Start Date**” is the date of Buyer’s receipt of valid invoice issued by Supplier after the received date of the goods and/or services in Buyer’s receiving system. The received date of the goods and/or services in Buyer’s receiving system shall occur: (i) in the case where the goods are shipped directly to Buyer and/or services are performed directly for Buyer, with respect to such goods, within forty-eight (48) hours of Buyer’s physical receipt of the goods at its dock and with respect to such services, within forty-eight (48) hours of Supplier’s completion of the services; (ii) in the case of goods shipped directly to: (A) Buyer’s customer or a location designated by Buyer’s customer (“**Material Shipped Direct**” or “**MSD**”); or (B) a non-Buyer/non-customer location to be incorporated into MSD, within forty-eight (48) hours of Supplier presenting Buyer with a valid bill of lading confirming that the goods have been shipped from Supplier’s facility; and (iii) in the case where goods are shipped directly to or services are performed directly for a third party in accordance with this Order, with respect to such goods, within forty-eight (48) hours of Buyer’s receipt of written certification from the third party of its receipt of the goods and with respect to such services, within forty-eight (48) hours of Buyer’s receipt of written certification from the third party of Supplier’s completion of the services. Buyer shall initiate (amount debited from Buyer’s bank account) payment on the Net Date.

(b) **Miscellaneous.** If requested by Buyer, settlement and invoicing shall be paperless and in a format acceptable to Buyer. In all cases, Supplier’s invoice must: (i) bear Buyer’s Order number; (ii) be issued only after delivery in accordance with this Order has occurred; and (iii) be received by Buyer no later than the time limit set forth in the respective provisions of Law (defined herein). Buyer shall be entitled to reject and not pay Supplier’s invoice if Supplier’s invoice fails to include Buyer’s Order number, is received by Buyer after the time set forth above or is otherwise inaccurate, and any resulting: (A) delay in Buyer’s payment; or (B) nonpayment by Buyer shall be Supplier’s responsibility. All goods and/or services provided by Buyer to Supplier for production of the goods and/or services delivered hereunder shall be separately identified on the invoice (i.e., consigned material, tooling, or technology (often referred to as an “**Assist**” for import/customs purposes)). Each invoice shall also include any reference information for any consigned goods and shall identify any discounts, credits or rebates from the base price used in determining the invoice value. Supplier warrants that it is authorized to receive payment in the currency stated in this Order. No extra charges of any kind shall be allowed. Buyer may withhold total or partial payment until the goods/or services conform to the requirements of this Order. Buyer’s payment of an invoice shall not constitute its acceptance of the goods or services. Buyer shall be entitled at any time to set-off any and all amounts owed by Supplier or a Supplier Affiliate (defined below) to Buyer or a Buyer Affiliate (defined below) on this or any other order. “**Affiliate**” shall for the purposes of this Order mean, with respect to either party, any entity, including, any individual, corporation, company, partnership, limited liability company or group, that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with such party.

### 2.3 *Quantities.*

(a) **General.** Buyer is not obligated to purchase any quantity of goods and/or services except for such quantity(ies) as may be specified by Buyer either: (i) on the PO; (ii) in a release on the PO; or (iii) on a separate written release issued by Buyer pursuant to this Order. Supplier shall not make material commitments or production arrangements in excess of Buyer’s specified quantities and/or in advance of the time necessary to meet Buyer’s delivery schedule. Should Supplier do so, any resulting exposure shall be for Supplier’s account. Goods delivered to Buyer in excess of the Buyer’s specified quantities and/or in advance of schedule may be disposed of or returned to Supplier at Supplier’s risk, and Supplier shall be responsible for all related costs and expenses incurred by Buyer.

(b) **Replacement Parts.** Replacement parts for goods purchased by Buyer are for the purpose of this Section defined as “**Parts**” (and are also considered “**goods**” under this Order). Unless specified otherwise by Buyer in writing, Supplier shall provide Parts (or upon Buyer’s written consent, an alternative replacement part that provides the same form, fit and function as the Part(s)) for a period of twenty (20) years after production of the goods (into which the applicable Parts are incorporated) ceases. Supplier shall continue to supply such Parts past the twenty (20) year period if Buyer orders at least twenty (20) Parts per year during such twenty-year period. The prices for any Parts purchased in the first two (2) years of the twenty-year period shall not exceed those prices in effect at the time production of the goods ceases, and no set up charges shall be permitted by Supplier or paid by Buyer during this two-year period. Thereafter, the prices for Parts shall be negotiated based on Supplier’s actual cost of production of such Parts plus any special packaging costs. No minimum order requirements shall apply unless the parties mutually agree in advance. After the end of the twenty-year period, Supplier shall continue to maintain in good working condition all Supplier-owned tooling required to produce the Parts and shall not dispose of such tooling without offering Buyer the right of first refusal to purchase such tooling.

(c) Obsolescence. If Supplier plans to cease production of any Parts after the twenty-year period as detailed in Section 2.3(b) above, then Supplier shall provide Buyer with at least one calendar year's notice of such event so that Buyer may request a "last-time" buy from Supplier for such Parts. If Supplier plans to cease production of any goods (into which the applicable Parts are incorporated) Buyer purchases under this Order within two (2) years from the date on the Order, Supplier shall provide Buyer with at least one calendar year's notice of such event so that Buyer may request a "last-time" buy from Supplier of such goods.

### 3. DELIVERY AND TITLE PASSAGE.

3.1 *Delivery*. Time is of the essence of this Order. Unless set forth otherwise on the PO or in this Order, if Supplier delivers the goods or completes the services later than scheduled, Buyer shall be entitled to assess liquidated damages in the amount of three percent (3%) of the Order price for each full calendar week of delay and/or pro rata temporis for any partial week of delay. If the liquidated damages set forth on the PO or in this Order do not cover the damages incurred by Buyer, Buyer shall be entitled to claim supplementary compensation to recover all damages pursuant to the provisions of the civil code. Buyer's resort to liquidated damages for Supplier's delay does not preclude Buyer's right to other remedies, damages and choices under this Order or at Law, other than the damages resulting from such delay, including, but not limited to Buyer's right to terminate this Order for non-delivery. All delivery designations are Incoterms® 2020. Unless otherwise set forth on the PO, all goods provided under this Order shall be delivered FCA Supplier's facility. Buyer may specify contract of carriage in all cases. Failure of Supplier to comply with any such Buyer specification shall cause all resulting transportation charges to be for the account of Supplier.

3.2 *Title*. Unless otherwise stated on the PO or in this Order: (a) title to the goods shall pass from Supplier to Buyer at the same point that risk of loss transfers from Supplier to Buyer per the applicable Incoterm, with exception of those purchases that are governed by subsection (b); and (b) title to goods shipped from China, India or Mexico for delivery to a different country shall pass after such goods have crossed the territorial land, sea, exclusive economic zone or overlying airspace of the respective source country, as applicable.

4. **BUYER'S PROPERTY**. All tangible and intangible property, including information or data of any description, tools, materials, drawings, computer software, know-how, documents, trademarks, copyrights, equipment or material: (a) furnished to Supplier by Buyer; (b) specifically paid for by Buyer; or (c) created with Buyer's IP Rights (defined in Section 5 below) shall be and remain Buyer's personal property (collectively, "**Buyer's Property**"). Such Buyer's Property furnished by Buyer to Supplier shall be accepted by Supplier "*AS IS*" with all faults and without any warranty whatsoever, express or implied, shall be used by Supplier at its own risk, and shall be subject to removal and/or return at Buyer's written request. Supplier shall not substitute any other property for Buyer's Property. Promptly upon receipt of a removal request from Buyer, Supplier shall prepare such Buyer's Property for shipment and deliver it to Buyer at Supplier's expense in the same condition as originally received by Supplier, reasonable wear and tear excepted. Prior to using Buyer's Property, Supplier shall inspect it and train its personnel and other authorized users in its safe and proper operation. In addition, Supplier shall: (i) keep Buyer's Property free of encumbrances and insured at Supplier's expense at an amount equal to the replacement cost thereof with loss payable to Buyer; (ii) plainly mark or otherwise adequately identify Buyer's Property as owned by Buyer; (iii) unless otherwise agreed to by Buyer in writing, store Buyer's Property separate and apart from Supplier's and third party owned property under Supplier's control; (iv) maintain Buyer's Property properly, and in compliance with any handling and storage requirements provided by Buyer, or that accompanied it when delivered to Supplier; (v) supervise the use of Buyer's Property; and (vi) use Buyer's Property only to meet Buyer's Orders without disclosing or otherwise reproducing it for any other purpose.

### 5. INTELLECTUAL PROPERTY.

5.1 *General*. Buyer hereby grants a non-exclusive, non-assignable license, which is revocable with or without cause at any time, to Supplier to use any information, drawings, specifications, computer software, know-how and other data furnished or paid for by Buyer hereunder for the sole purpose of performing this Order for Buyer. The parties agree that each party exclusively owns all intellectual property it had prior to the commencement of this Order; however, Buyer shall own exclusively all rights in ideas, inventions, works of authorship, strategies, plans and data created in or resulting from Supplier's performance under this Order, including all patent rights, copyrights, rights in proprietary information, database rights, trademark rights and other intellectual property rights (collectively, "**Buyer's IP Rights**"). Transfer of intellectual property results in transfer of ownership of a copy of intellectual property. Supplier waives its right to authorize enforcement of derivative copyright. Supplier is not entitled to separate remuneration for use by the Buyer or third parties of intellectual property on separate fields of use and remuneration under this Order is the sole remuneration due to Supplier for transfer to Buyer of intellectual property. Buyer has the exclusive right to perform derivative works from Buyer's IP Rights and use such derivative works on the fields of use described above. Buyer's IP rights are not subject to any limitations. If by operation of Law (defined in Section 15.1) any such intellectual property is not owned in its entirety by Buyer automatically upon creation, then Supplier agrees to transfer and assign to Buyer, and hereby transfers and assigns to Buyer, the entire right, title and interest throughout the world to such intellectual property. Supplier further agrees to enter into and execute any documents that may be required to transfer or assign ownership in and to any such intellectual property to Buyer. Should Supplier, without Buyer's prior written consent and authorization, design or manufacture for sale to any person or entity other than Buyer any goods substantially similar to, or which reasonably can substitute or repair, a Buyer good, Buyer, in any adjudication or otherwise, may require Supplier to establish by clear and convincing evidence that neither Supplier nor any of Supplier Personnel (defined in Section 12.1) used in whole or in part, directly or indirectly, any of Buyer's Property, as set forth herein, in such design or manufacture of such goods.

5.2 *Embedded Software*. To the extent any goods contain Embedded Software (defined below) that is not Buyer's Property, no title to such Embedded Software shall pass to Buyer, and Supplier shall grant Buyer, its customers and all other users a non-exclusive worldwide, irrevocable, perpetual, royalty-free right to use, load, install, execute, demonstrate, market, test, resell, sublicense and distribute such Embedded Software as an integral part of such goods or for servicing the goods (the "**Buyer-Required License**"). If such Embedded Software or any part thereof is owned by a third party, prior to delivery, Supplier shall obtain the Buyer-Required License from such third-party owner. "**Embedded Software**" means software necessary for operation of goods and embedded in and delivered as an integral part of goods.

### 6. CHANGES.

6.1 *Buyer Changes*. Buyer may at any time make changes within the scope of this Order in any one or more of the following: (a) drawings, designs or specifications; (b) method of shipment or packing; (c) place and time of delivery; (d) amount of Buyer's furnished property; (e) quality; (f) quantity; or (g) scope or schedule of goods and/or services. Supplier shall not proceed to implement any change until such change is provided in writing by Buyer. If any changes cause an increase or decrease in the cost or schedule of any work under this Order, an equitable adjustment shall be made in writing to the Order price and/or

delivery schedule as applicable. Any Supplier claim for such adjustment shall be deemed waived unless asserted within thirty (30) days from Supplier's receipt of the change or suspension notification and may only include reasonable, direct costs that shall necessarily be incurred as a direct result of the change.

6.2 *Supplier Changes.* Supplier shall notify Buyer in writing in advance of any and all: (a) changes to the goods and/or services, their specifications and/or composition; (b) process changes; (c) plant and/or equipment/tooling changes or moves; (d) transfer of any work hereunder to another site or location; and/or (e) sub-supplier changes, and no such change shall occur until Buyer has approved such change in writing. Supplier shall be responsible for obtaining, completing and submitting proper documentation regarding any and all changes, including complying with any written change procedures issued by Buyer.

## 7. INSPECTION/TESTING AND QUALITY.

7.1 *Inspection/Testing.* In order to assess Supplier's work quality and/or compliance with this Order, upon reasonable notice by Buyer: (a) all goods, materials and services related to the items purchased hereunder, including, raw materials, components, assemblies, work in process, tools and end products shall be subject to inspection and testing by Buyer, its customer, representative or regulatory authorities at all places, including sites where the goods are made or located or the services are performed, whether at Supplier's premises or elsewhere; and (b) all of Supplier's facilities, books and records relating to this Order shall be subject to inspection by Buyer or its designee. If specific Buyer and/or Buyer's customer tests, inspection and/or witness points are included in this Order, the goods shall not be shipped without an inspector's release or a written waiver of test/inspection/witness with respect to each such point; however, Buyer shall not be permitted to unreasonably delay shipment; and Supplier shall notify Buyer in writing at least twenty (20) days prior to each of Supplier's scheduled final and, if applicable, intermediate test/inspection/witness points. Supplier agrees to cooperate with such/audit inspection including, completing and returning questionnaires and making available its knowledgeable representatives. Buyer's failure to inspect or test goods, materials or services or Buyer's failure to reject or detect defects by inspection or testing shall not relieve Supplier from its warranty obligations or any of its other obligations or responsibilities under this Order. Supplier agrees to provide small business as well as minority and/or women owned business utilization and demographic data upon request.

7.2 *Quality.* When requested by Buyer, Supplier shall promptly submit real-time production, compliance and process data ("**Quality Data**") in the form and manner requested by Buyer. Supplier shall provide and maintain an inspection, testing and process control system ("**Supplier's Quality System**") covering the goods and services provided hereunder that is acceptable to Buyer and its customer and complies with Buyer's quality policy, quality requirements in this Order and/or other quality requirements that are otherwise agreed to in writing by the parties ("**Quality Requirements**"). Acceptance of Supplier's Quality System by Buyer does not alter Supplier's obligations and/or liability under this Order, including, Supplier's obligations regarding its sub-suppliers and subcontractors. If Supplier's Quality System fails to comply with the terms of this Order, Buyer may require additional quality assurance measures at Supplier's expense necessary to meet Buyer's Quality Requirements. Supplier shall keep complete records relating to Supplier's Quality System, including all testing and inspection data and shall make such records available to Buyer and its customer for the longer of: (a) three (3) years after completion of this Order; (b) such period as set forth in the specifications applicable to this Order; or (c) such period as required by applicable Law. If Supplier is not the manufacturer of the goods, Supplier shall certify the traceability of the goods to the original equipment manufacturer on the certificate of conformance. If Supplier cannot certify traceability of the goods, Supplier shall not ship such goods to Buyer without obtaining Buyer's written consent. Any review or approval of drawings by Buyer shall be for Supplier's convenience and shall not relieve Supplier of its responsibility to meet all requirements of this Order.

### 7.3 *Product Recall.*

(a) If a recall is required by applicable Law, or if Buyer or Supplier reasonably determines that a recall is advisable because the goods may create a potential safety hazard, are not in compliance with any applicable code, standard or legal requirement, or contain a defect or non-conformance with the requirements of this Order occurring or likely to occur in multiple goods, which such defects or non-conformances are substantially similar or have substantially similar causes or effects (collectively a "**Serial Defect**"), the parties shall promptly communicate such facts to each other. At Buyer's request, Supplier shall promptly develop a corrective action plan satisfactory to Buyer, which shall include all actions required to recall and/or repair the goods and any actions required by applicable Law ("**Corrective Action Plan**") for Buyer's review and approval. At Buyer's election, Buyer may develop the Corrective Action Plan. In no event shall Buyer and Supplier's failure to agree on the Corrective Action Plan delay the timely notification of a potential safety hazard, non-compliance or Serial Defect to users of the goods, cause either party to be non-compliant with applicable Law or prevent Buyer from taking reasonable actions to prevent injury or damage to persons, equipment or other property. Supplier and Buyer shall cooperate with and assist each other in any corrective actions and/or filings, if applicable.

(b) To the extent a recall is required by applicable Law, or due to a potential safety hazard, non-compliance or Serial Defect, which is caused by Supplier, Supplier shall indemnify and hold Buyer harmless from all reasonable costs and expenses incurred in connection with any recall, repair, replacement or refund program, including all costs related to: (i) investigating and/or inspecting the affected goods; (ii) notifying Buyer's customers; (iii) repairing, or where repair of the goods is impracticable or impossible, repurchasing or replacing the recalled goods; (iv) packing and shipping the recalled goods; and (v) media notification. Each party shall consult the other before making any statements to the public or a governmental agency relating to such recall, potential safety hazard, non-compliance or Serial Defect, except where such consultation would prevent timely notification required by Law.

7.4 *Quality Administrative Fee.* If any of the goods and/or services furnished pursuant to this Order are defective or otherwise not in conformity with the requirements of this Order, then in addition to any other remedies available to Buyer under this Order, at law or in equity, Buyer shall be entitled to charge Supplier an administrative fee in the amount of \$500.00 USD or PLN equivalent for each such defective or non-conforming good or service (the "Quality Administrative Fee"). In Buyer's sole discretion, Buyer may setoff, deduct or invoice the Supplier for such Quality Administrative Fee. For the avoidance of doubt, Buyer and Supplier agree that such Quality Administration Fee is only intended to compensate Buyer for a portion of its administrative costs to disposition the defective or non-conforming good or service and shall be without prejudice to Buyer's right to recover additional administrative costs and/or other costs or damages incurred by Buyer as a result of Supplier providing Buyer with such non-conforming or defective good or service and is additional to liquidated damages (if applicable).

8. **REJECTION.** If any of the goods and/or services furnished pursuant to this Order are found within a reasonable time after delivery to be defective or otherwise not in conformity with the requirements of this Order, then Buyer, at its option may: (a) require Supplier, at its expense, to immediately re-perform any defective portion of the services and/or require Supplier to immediately repair or replace non-conforming goods with goods that conform with all requirements of this Order; (b) take such actions as may be required to cure all defects and/or bring the goods and/or services into conformity with all requirements of this Order without having to obtain a prior court's approval to do so, in which event all related costs and expenses shall be for Supplier's account; (c) reject and/or return at Supplier's risk and expense all or any portion of such goods and/or services; and/or (d) rescind this Order without liability. For any repairs or replacements, Supplier, at its cost and expense, shall perform any tests requested by Buyer to verify conformance to this Order.

9.3 If any of the goods and/or services are found to be defective or otherwise not in conformity with the warranties in this Section during the warranty period, Buyer, at its option may: (a) require that Supplier, at its expense, inspect, remove, reinstall, ship and repair or replace/re-perform non-conforming goods and/or services with goods and/or services that conform with this Order; (b) take such actions as may be required to cure all defects and/or bring the goods and/or services into conformity with this Order, in which event all related costs and expenses shall be for Supplier’s account; (c) carry out any remedial work itself or through a third party at Supplier’s risk and expense without having to obtain a prior court’s approval to do so; and/or (d) reject and/or return at Supplier’s risk and expense all or any portion of such goods and/or services. Any repaired or replaced good, or part thereof, or re-performed services shall carry warranties on the same terms as set forth above, with the warranty period being the greater of the original unexpired warranty or twenty-four (24) months after repair or replacement. For any repairs or replacements, Supplier, at its cost and expense, shall perform any tests requested by Buyer to verify conformance to this Order.

**10. SUSPENSION.** Buyer may at any time, by notice to Supplier, suspend performance of the work for such time as it deems appropriate. Upon receiving notice of suspension, Supplier shall promptly suspend work to the extent specified, properly caring for and protecting all work in progress and materials, supplies and equipment Supplier has on hand for performance. Upon Buyer’s request, Supplier shall promptly deliver to Buyer copies of outstanding purchase orders and subcontracts for materials, equipment and/or services for the work and take such action relative to such purchase orders and subcontracts as Buyer may direct. Buyer may at any time withdraw the suspension as to all or part of the suspended work by written notice specifying the effective date and scope of withdrawal. Supplier shall resume diligent performance on the specified effective date of withdrawal. All claims for increase or decrease in the cost of or the time required for the performance of any work caused by suspension shall be pursued pursuant to, and consistent with, Section 6.1.

## **11. TERMINATION.**

11.1 *Termination for Convenience.* Buyer may terminate all or part of this Order for convenience at any time by written notice to Supplier. Upon such termination, Buyer and Supplier shall negotiate reasonable termination costs, which shall only include Supplier’s reasonable, direct costs that have or shall necessarily be incurred as a direct result of such termination. Any Supplier claim for such costs shall include reasonable documentation supporting such claim and shall be deemed waived unless asserted within thirty (30) days from Supplier’s receipt of the Buyer’s termination notice.

11.2 *Termination for Default.* Except for delay due to causes beyond the control and without the fault or negligence of Supplier (lasting not more than sixty (60) days), Buyer, without liability, may by written notice of default, terminate all or part of this Order if Supplier fails to comply with any term of this Order or fails to make progress which, in Buyer’s reasonable judgment, endangers performance of this Order. Upon termination, Buyer may procure goods and/or services similar to those so terminated without having to obtain a prior court’s approval to do so, and Supplier shall be liable to Buyer for any excess costs for such goods and/or services and other related costs. Supplier shall continue performance of this Order to the extent not terminated by Buyer.
