Supplier Document Exchange (SDX)

Dear Valued Supplier,

The document you have tried to access is currently unavailable at this site. To access this document, contact your Buyer to request any documents that you need. You can also access directing using our Supplier Document Exchange (SDX) Application. SDX is the tool that GE uses to exchange documents with your business.

Learn more about SDX by:

- Watching the Short Video Training

- Read the Quick Start Guide

Download the instructions for

- SDX access request GE-Power

- SDX access request GE-Renewables

You will need a GE Single Sign On account (SSO) to access SDX. If you do not have an SSO,

- register for a Single Sign On (SSO) ID

- Download the SSO Registration Guide to get started

If you have any questions, please contact your Buyer or other GE Power Sourcing or Supply Chain contact. You can also contact the **eSourcing Help Desk at (866) 770-5248 in the US or Email psesourps@ps.ge.com**
