I agree to GE's Terms and Conditions [🔗](#) *

Click or touch the **Computer**

Request STC basic access (Read Only)

After your account is created, you are redirected to the catalog page to choose what application your want access. Click on “Add” in front of the STC application

The screenshot shows the GE Application Catalog interface. At the top left is the GE logo and the text 'Application Catalog'. At the top right is the user name 'ANAIS VENTER'. Below the header are three tabs: 'All Applications' (selected), 'Customer Apps', and 'Supplier Apps'. A search bar is located to the right of the tabs. The main content area is a table with two columns: 'POPULAR APPS' and 'APPLICATION DESCRIPTION'. The table lists several applications, each with a '+ Add' button. The application 'Supplier Technical Collaboration (STC) - Gas Power' is highlighted with a red box, and its '+ Add' button is also highlighted with a red box. A small 'New' badge is visible next to the application name.

POPULAR APPS	APPLICATION DESCRIPTION	
Clear Orbit (Supplier Collaboration)	ClearOrbit Supplier Collaboration Tool Supporting Power , Energy Mgmt, and Oil business units	+ Add
My Dashboard	Securely access your asset information and technical documents including TILS, technical manuals (O&M), outage and repair reports, warranty claims, and the GE Power parts store	+ Add
SDX - PowerGen	Supplier document exchange for PowerGen business	+ Add
SourceGate	Strategic Sourcing application tool supporting Gas Power Systems	+ Add
Supplier Technical Collaboration (STC) - Gas Power <small>New</small>	Supplier Technical Collaboration for PowerPLM-GTCC for GE Gas Power	+ Add

You will have Read Only access by default, but you'll be able to request additional Roles directly in GTCC when you will have access

Request STC basic access (Read Only)

Once your application is selected, click on “Click Here to request access to your applications” on the pink line

Supplier Technical Collaboration (STC) - Gas Power New

Supplier Technical Collaboration for PowerPLM-GTCC for GE Gas Power

✓ Select

Request STC basic access (Read Only)

On the new window displayed, enter your company GSL-Site, the name of the GE buyer who will approve your access and your Country. Click on “Submit”

Please answer the following questions to request access to your selected applications.

Questions for:

Supplier Technical Collaboration (STC) - Gas Power

Enter your company 6-digit GSL and 3-company Site ID *

Enter your primary GE sourcing representative who will authorize your request to access *

Enter your (USER) primary work Country *

Request STC basic access (Read Only)

In the catalog, the application is promoted to “Pending” status until GE approve your access.

APPLICATION NAME	APPLICATION DESCRIPTION	
Supplier Technical Collaboration (STC) - Gas Power	Supplier Technical Collaboration for PowerPLM-GTCC for GE Gas Power	 Pending

- Once request is approved, Supplier will get notified via automated Email stating that the access has been granted, along with application link.

Note: Due to there not being an approval interface back to the B2B catalog, your status will still show **“Pending” for STC even when approved**
