Forgot User ID?

Purpose: Use this feature to retrieve your user id

Step 1: From the home page, click the “Forgot ID?” link – <https://registration.gepower.com/registration/> this will open a new page.

Step 2: Follow the instructions on screen to retrieve your account information. Enter your email address and click Submit

Step 3: If the system recognizes the email address you provided, you will see a confirmation message on screen and an email with the user account id will be Sent.

If no information is available for the entered email address, you will see this message:

Forgot Password?

Purpose: Use this feature to reset your password

Step 1: From the home page, click the “Forgot Password?” link –this will open a new page.

Step 2: Follow the instructions on screen: enter your user id and complete the security check. Click “Submit” to continue.

Step 3: If the account is recognized, you will receive a confirmation message on screen (see picture to right). Additionally, an email will be sent to the account on file.

If there is no existing account **OR** the username you entered is locked inactive, you will receive a message like those at right. If you feel you are getting these messages in error, use the “Need help?” feature to contact our team.

Step 4: An email is sent to your account on file. Click the “Reset your password” link. Note this link is temporary and will expire as indicated.

Step 5: You will be redirected to a new, secure window to update your password. Follow the instructions on screen and click “Submit”

Step 6: Once updated, you’ll receive a “Success” message and be allowed to sign-in with your new password.
