GE Vernova Carrier Safety Requirement

Firearms & Weapons Prohibition

GE Vernova is committed to maintaining a safe and secure environment at all facilities worldwide.

REQUIREMENT

Firearms and weapons are strictly prohibited on all GE Vernova properties, including inside vehicles, regardless of local, state, or national laws.

DRIVER RESPONSIBILITIES

- 1 Are informed of this policy before dispatch
- 2 Do not transport firearms or weapons onto GE Vernova property
- 3 Acknowledge compliance prior to entry

ACCESS CONTROL

Drivers will be required to confirm compliance at site entry. Any driver in possession of a weapon will be:

- 1 Denied entry
- 2 Directed to leave the premises immediately

NON-COMPLIANCE CONSEQUENCES

- 1 Shipment refusal
- 2 Carrier performance review
- 3 Removal from GE Vernova approved carrier network

NOTE

This requirement applies even in regions where carrying firearms in commercial vehicles is legally permitted.
