Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 20th September 2021, the discontinuation of the manufacturing and supply of Software 51 & 52 for P741, P742 & P743 was announced.

On 27th May 2022, the last order date for Software 51 ONLY for P741, P742, & P743 was extended to 31st March 2023, subject to availability, and the alternatives were revised for P741, P742, & P743 Software 51 & 52 replacing Software 53 with Software 91.

On 12th December 2022, the last order date for Software 51 for P741 ONLY was extended to 31st December 2023, subject to availability. In addition, the last order date for Software 51 for P742 & P743 ONLY was extended to 31st December 2024, subject to availability. *Please note that white livery is only available until 31st December 2023.

On 20th June 2024, the last order date for Software 51 for P742 & P743 ONLY was extended to 1st December 2025, subject to availability. *Please note that white livery is only available until 31st December 2023.

On 24th November 2025, the last order date for Software 51 for P742 & P743 ONLY was extended to 16th November 2026, subject to availability. *Please note that white livery is only available until 31st December 2023.

On 4th December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

On 1st April 2026, a typo was corrected in the revision date description for 24th November 2025 changing GER-5001 to GER-5008.

On 1st June 2026, the last order date for Software 51 for P742 & P743 was extended to 15th June 2027, subject to availability.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE
Software 51 For P741	31 st December 2023	P741 Software 91
Software 51 For P742	15 th June 2027*	P742 Software 91
Software 51 For P743	15 th June 2027*	P743 Software 91
Software 52 For P741	31 st December 2022	P741 Software 91
Software 52 For P742	31 st December 2022	P742 Software 91
Software 52 For P743	31 st December 2022	P743 Software 91

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
