Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 28th June 2023, the discontinuation of the manufacturing and supply of CPU Option A for G500 was announced.

On 20th June 2024, the description of the offering was revised from 2 Core to CPU A, and technical specifications were added to the offering and alternative descriptions.

On 12th December 2024, the alternative was revised from G500 CPU Option B to G500 CPU Option C, and the order codes were revised to reflect the correct number of digits. This notice was revised in accordance with GE Vernova rebranding guidelines.

On 24th November 2025, the status of the Last-Time Buy was revised to Order Book Closed. This notice was revised in accordance with GE Vernova rebranding guidelines.

On 3rd December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

On 9th June 2026, the Revision Dates and Background Section were revised to correctly reflect 24th November 2025 instead of 24th November 2024.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE
CPU Option A For G500 2.2 GHz 2 Core APU, 8 GB DDRs SDRAM Order codes: G500Axxxxxxxxxxxxxxxxxxxxxxxxxx	Order Book Closed	G500 CPU Option C 2.1 GHz 2 Core, 8 GB DDRs SDRAM Order codes: G500Cxxxxxxxxxxxxxxxxxxxxxxxxxx

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
