DISCLAIMER STATEMENT OF INDIA RATINGS AND RESEARCH PRIVATE LIMITED: India Ratings & Research Private Limited (**"India Ratings"**) is a Credit Rating Agency registered with the Securities and Exchange Board of India (**SEBI**) under Section 12 of the SEBI Act, 1992. In this capacity, India Ratings undertakes ratings of listed and proposed to be listed instruments that fall under the regulatory oversight of SEBI. In addition, in line with Regulation 9(f) of the SEBI (Credit Rating Agencies) Regulation, 1999, India Ratings rates financial instruments falling under the purview of other Financial Sector Regulators (FSR). Instruments which come under the purview of other FSRs do not come under the overall governance of SEBI. Issuers/Users/readers of this document are, therefore, cautioned to know the risks involved in dealing in such instruments. Such instruments can carry Liquidity and Price Risk which pertains to how saleable a Security is in the market. If a particular Security does not have a market at the time of sale, then the Investor's investments may have to bear an impact depending on its exposure to that particular Security. It is not possible to predict if, and to what extent, a secondary market may develop in the debt securities or at what price the debt securities will trade in the secondary market or whether such market will be liquid or illiquid. The more limited the secondary market is, the more difficult it may be for holders of the debt securities to realise value for the debt securities prior to redemption of the debt securities. If the debt securities are unlisted, then the ability of the Investors to resell or trade them may be limited, leading to liquidity and price risk on the debt securities. The returns from a particular asset class may underperform returns from other asset classes. The changes in government policy in general and changes in taxation may impact the returns to investors. There can be external risks arising out of geopolitical situations which can lead to volatility in/impact the performance of the individual securities. Issuers/Users/readers are advised to note that SEBI's investor protection mechanisms and SEBI's grievance or dispute redressal mechanisms are not applicable to ratings assigned by India Ratings that fall under the purview of other FSRs. Should you have any grievance with instruments under the purview of other FSRs, please write to infogrp@indiaratings.co.in. For any grievance with instruments under the purview of SEBI, please write to investor.grievances@indiaratings.co.in. Further, India Ratings relies on information obtained from multiple sources and there may be instances where the information is not accurate/incomplete, despite efforts been taken to verify the same. Ultimately, the issuer /its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its rating, India Ratings relies on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that may not have been anticipated at the time a rating was issued or affirmed. It needs to be noted that ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security of any issuer. Credit Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security.
