

## MU320 firmware 02 End-of-Manufacturing Notice

### Excerpt from GE Publication Number: GER-4795

Issue Date: April 5<sup>th</sup>, 2017

Copyright © 2017 GE Multilin Inc.

---

### Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions is discontinuing the manufacture and sale of **MU320 firmware version 02**. This notice does not apply to any other model not explicitly listed.

### Last-Time Buy Window

**The table which follows outlines the strategy for the affected product(s) - within your organization please plan now the purchase of any additional or spare devices that you feel you may need.** Such orders should be routed to us prior to the date shown, with the last delivery date expected no later than that shown in the table.

PRODUCT	LAST ORDER DATE	LAST DELIVERY DATE	ALTERNATIVE
MU320 firmware 02	31 <sup>st</sup> July 2017	31 <sup>st</sup> October 2017	MU320 firmware 03
