Grid Solutions

Software 36 and 70 for P442 End-of-Manufacturing Notice

Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On May 15th, 2019, GE Grid Solutions announced the discontinuation of the manufacture and sale of Software 36 and 70 for P442.
On October 31st, 2019, the alternatives were revised.
On December 9th, 2019, the last order date for P442 Software 36 was extended to March 31st, 2023, **subject to availability.**
On June 30th, 2020, and May 10th 2021, the alternatives were revised.
On 12th December 2022, the alternatives were expanded to include P44 Software AA.

This notice does not apply to any other model not explicitly listed.
