Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On May 10th, 2021, GE Grid Solutions announced the discontinuation of the manufacturing and sale of **Software 04 and 05 for P642, P643, and P645**.

On 27th May 2022, the last order date for **P645 Software 04 ONLY** was extended to 31st March 2023, subject to availability. On 12th December 2022, the last order date for **P642, P643 and P645 Software 04** was extended to 31st December 2023, subject to availability. The last-time buy period for **P645 Software 05** was confirmed to have expired on 25th August 2022. **P642 and P643 Software 05** was incorrectly shown as order book closed but the last order date remains 31st March 2023 as previously announced and shown below.

On 18th December 2023, the last order date for **P642, P643 and P645 Software 04** was extended to 10st December 2024, subject to availability. * Please note that white livery is only available until 31st December 2023.

Last-Time Buy Window

Please plan the purchase of any additional or spare devices that you feel you may need. Orders should be placed prior to the last order date shown. **Orders will be fulfilled based upon availability** and products typically ship within three months of the last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
P642, P643 Software 04	10th December 2024*	Software 91
P645 Software 04	10th December 2024*	Software 91 (IEC 61850 Ed2) or Software 07 (IEC 61850 Ed1)
P642, P643 Software 05	31st March 2023	Software 91
P645 Software 05	25th August 2022	Software 91 (IEC 61850 Ed2) or Software 07 (IEC 61850 Ed1)

Support

GE's warranty provision is unaffected by this End-of-Manufacturing Notification. After the published last order date elapses, a repair service follows for products no longer under warranty subject to material availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact GE if they need further information concerning the level of service that is provided on a per product basis.

For Additional Information
