Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On May 10th, 2021, GE Grid Solutions announced the discontinuation of the manufacturing and sale of manufacture and sale of **Software 44 and 46 for P141, P142, P143 and P145**.

On 27th May 2022, the last order date for **Software 44 and 46 for P141, P142, P143 and P145** was extended to 31st March 2023, subject to availability.

On 12th December 2022, the **last order date was extended** to 31st December 2023, subject to availability. In addition, GE revised the alternatives as shown below to include P84 Software AA.

On 18th December 2023, the **last order date was extended** to 10th December 2024, subject to availability. * Please note that white livery is only available until 31st December 2023.

Last-Time Buy Window

Please plan the purchase of any additional or spare devices that you feel you may need. Orders should be placed prior to the last order date shown. **Orders will be fulfilled based upon availability** and products typically ship within three months of the last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
P141, P142, P143, P145 Software 44 and 46	10st December 2024*	P84 Software AA or P141/2/3/5 Software 91 (IEC 61850 Ed. 1 or 2) or P141/2/3/5 Software 61 (DNP3oE)

Support

GE's warranty provision is unaffected by this End-of-Manufacturing Notification. After the published last order date elapses, a repair service follows for products no longer under warranty subject to material availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact GE if they need further information concerning the level of service that is provided on a per product basis.

For Additional Information
