

Software 70 and 71 for P847 End-of-Manufacturing Notice

Excerpt from GE Publication Number: GER-4912

Issued: 10th May 2021

Revision Date:

- 12th December 2022 (Excerpt from End-of-Manufacturing Notice GER-4938)

Copyright © 2022 General Electric

Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On May 10th, 2021, GE Grid Solutions announced the discontinuation of the manufacture and sale of **Software 70 and 71 for P847**.

On December 12th, 2022, the alternatives were expanded to include P84 Software AA.

This notice does not apply to any other model not explicitly listed.

Last-Time Buy Window

Please plan the purchase of any additional or spare devices that you feel you may need. Orders should be placed prior to the last order date shown. **Orders will be fulfilled based upon availability** and products typically ship within three months of the last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
P847 Software 70	15th July 2022	P84 Software AA or P847 Software 73
P847 Software 71	15th July 2022	P84 Software AA or P847 Software 73

Support

GE's warranty provision is unaffected by this End-of-Manufacturing Notification. After the published last order date elapses, a repair service follows for products no longer under warranty subject to material availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact GE if they need further information concerning the level of service that is provided on a per product basis.

For Additional Information
