### Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On February 28<sup>th</sup>, 2018, GE Grid Solutions announced the discontinuation of manufacture and sale of **P341 Software 71** and offered a Last-Time Buy opportunity.

**On October 22<sup>nd</sup>, 2018, the discontinuation was expanded to include Software 70 for P341 as outlined below.**

This notice does not apply to any other model not explicitly listed.

### Last-Time Buy Window

**This document outlines the strategy for affected products - within your organization please plan the purchase of any additional or spare devices that you feel you may need.** Orders should be routed to us prior to the last order date shown. Orders will be fulfilled based upon availability and products typically ship within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.
