Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On October 22nd, 2019, GE Grid Solutions announced the discontinuation of the manufacture and sale of MMLG 03 including all models, configurations, mods and accessories, but not retrofit kits.

On October 31st, 2019, the last order date for MMLG 03 was extended to July 31st, 2020.

On June 30th, 2020, the last order date for MMLG 03 was extended to September 1st, 2020, **subject to availability**.

This notice does not apply to any other model not explicitly listed.

Last-Time Buy Window

This document outlines the strategy for affected product(s). Within your organization please plan the purchase of any additional or spare devices that you feel you may need. Orders should be routed to us prior to the last order date shown. **Orders will be fulfilled based upon availability** and products will be typically ship within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

| PRODUCT | LAST ORDER DATE | ALTERNATIVE |
|---------|--------------------------------|-------------|
| MMLG 03 | 1 st September 2020 | MMLG 01 |
