### Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

**On 30<sup>th</sup> June 2020**, GE Grid Solutions announced the plans to discontinue the manufacture and sale of **S20 Hardware B**.

**On 10<sup>th</sup> May 2021**, GE Grid Solutions **revised the scope** of the obsolescence, limiting it to **S20 Hardware B with high voltage power supply only, and extended the last order date** as shown below.

**On 20<sup>th</sup> September 2021**, GE Grid Solutions **revised the order code for the alternative**.

**On 27<sup>th</sup> May 2022**, GE Grid Solutions **retracted the plans to discontinue the manufacturing of S20 Hardware B with high voltage power supply only. S20 with Hardware B with high voltage power supply remains available for sale.**

This notice does not apply to any other model not explicitly listed.

### Last-Time Buy Window

This document outlines the strategy for affected products - within your organization please plan the purchase of any additional or spare devices that you feel you may need. Orders should be routed to us prior to the last order date shown.

**Orders will be fulfilled based upon availability** and products typically ship within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

| PRODUCT   | LAST ORDER DATE          | ALTERNATIVE |
|---|--------------------------|-------------|
| <b>S20 Hardware B with high voltage power supply only</b><br>Order codes:<br>S20xx33PxxxxxxxxxB<br>S20xx3XPxxxxxxxxxB | <i>Remains available</i> |             |
