

RA33x Low Voltage Power Supply Variant End-of-Manufacturing Notice

Excerpt from GE Publication Number: GER-4900

Issued: 15th December 2020

Copyright © 2020 General Electric

Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions is discontinuing the manufacture and sale of the **RA33x Low Voltage Power Supply Variant**. This notice does not apply to any other model not explicitly listed.
