D400 Portfolio
End-of-Manufacturing/Supply Notice

Excerpt from Publication Number: GER-4919

Issued: 20th September 2021

Revision Dates:

- 27th May 2022 (Excerpt from End-of-Manufacturing Notice GER-4927)
- 16th November 2025 (Rebranding Revisions)

Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 20th September 2021, the discontinuation of the manufacturing and supply of D400 Portfolio was announced with instructions to Contact Us for availability.

On 27th May 2022, the status of the Last-Time Buy was revised to Order Book Closed for D400 Systems and D400 Update Kits with CPUs. Additionally, the description of the D400 Spare Parts was revised to indicate what materials remained available, and customers are advised to Contact Us for availability prior to 31st August 2022.

On 16th November 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

All Others	**Order Book Closed**	

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: https://www.gevernova.com/grid-solutions/contact.htm?loc=3 or https://www.gevernova.com/grid-solutions/automation/protection-control-metering.
