### Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of supply for older offerings or design variants.

On 5<sup>th</sup> April 2017, the discontinuation of the supply of EPM9900 was announced.

On 7<sup>th</sup> July 2021, this notice was issued as an excerpt for EPM9900 only.

On 11<sup>th</sup> December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

| OFFERING | STATUS            | ALTERNATIVE |
|----------|-------------------|-------------|
| EPM9900  | Order Book Closed | EPM9900P    |

### Support

GE Vernova's warranty provision is unaffected by this End-of-Supply Notification. After order book closed, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

### For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
