### Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

In 2009, the discontinuation of the manufacturing and supply of the MI Family was announced as of 1<sup>st</sup> April 2009.

In 2018, the title was revised.

On 10<sup>th</sup> December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.
