

MLJ & TOV End-of-Manufacturing/Supply Notice

Excerpt from Publication Number: GER-4743

Issued: 6th April 2016

Revision Dates:

10th December 2025 (Rebranding Revisions)

Copyright © 2025 GE Vernova

Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 6th April 2016, the discontinuation of the manufacturing and supply of MLJ & TOV was announced.

On 10th December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

OFFERING	STATUS	ALTERNATIVE
MLJ	Order Book Closed	350 Relay With Protection Option V (Supports Undervoltages, Overvoltages, Under Frequencies, Over Frequencies, Synchrochecks, Voltage Transformer Fuse Failure, & Voltage Metering)
TOV	Order Book Closed	350 Relay With Protection Option V (Supports Undervoltages, Overvoltages, Under Frequencies, Over Frequencies, Synchrochecks, Voltage Transformer Fuse Failure, & Voltage Metering)

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. In addition, product support continues for seven (7) years from the initial publication date of this notice, until 6th April 2023, and includes the following services to assist you in operating, maintaining and upgrading your protection and control equipment:

- providing product documentation,
- providing existing firmware,
- answering product questions regarding features, configuration and applications,
- performing testing and/or updating to newer versions of existing firmware,
- performing non-warranty repair, pending availability of parts, and
- providing recommendations for upgrades, retrofits or alternative products.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: https://www.gevernova.com/grid-solutions/contact.htm?loc=3 or https://www.gevernova.com/grid-solutions/automation/protection-control-metering.
