

ML1600 End-of-Supply Notice

Excerpt from Publication Number: GER-4758

Issued: 25th April 2016

Revision Dates:

- 11th December 2025 (Rebranding Revisions)

Copyright © 2025 GE Vernova

Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of supply for older offerings or design variants.

On 25th April 2016, the discontinuation of the supply of ML1600 was announced.

On 11th December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE
ML1600 Ethernet Communications Switch	31st December 2016	ML1200 Managed Field Communications Switch

Support

GE Vernova's warranty provision is unaffected by this End-of-Supply Notification. In addition, product support continues for five (5) years from the initial publication date of this notice, until 2021, and includes the following services to assist you in operating, maintaining and upgrading your protection and control equipment:

- providing product documentation,
- providing existing firmware,
- answering product questions regarding features, configuration and applications,
- performing testing and/or updating to newer versions of existing firmware,
- performing non-warranty repair, pending availability of parts, and
- providing recommendations for upgrades, retrofits or alternative products.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
