Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 28th February 2018, the discontinuation of the manufacturing and supply of Software 02 for P642, P643, & P645 was announced.

On 22nd October 2018, the last order date for Software 02 for P642, P643, & P645 was extended to 9th July 2019.

On 15th May 2019, the last order date for Software 02 for P643 was extended to 15th July 2020.

On 15th December 2020, the alternatives for Software 02 for P643 were revised to replace Software 06 & 07 with Software 91.

On 6th December 2025, corrected the revision note for 15th December 2020 to state P643 instead of P642 to match the table below. This notice was revised in accordance with GE Vernova rebranding guidelines.

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.
