### Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

The discontinuation of the manufacturing and supply of D20 & D200ME was announced in PRBT-0352.

On 22<sup>nd</sup> October 2018, the last order dates were extended until 1<sup>st</sup> December 2020, subject to availability.

On 30<sup>th</sup> June 2020, the last order dates were extended until 1<sup>st</sup> June 2021, subject to availability.

On 20<sup>th</sup> September 2021, the alternatives were revised.

On 27<sup>th</sup> May 2022, the notice was expanded to announce the discontinuation of the manufacturing and supply of the Power Supply, Chassis, & Terminal Panel, and the support statement was incorporated in the excerpt.

On 28<sup>th</sup> June 2023, the notice was expanded to announce the discontinuation of the manufacturing and supply of Wesdec I/F cable, Modem, Redundancy, & Fiber Optics Coupler, and the status for Chassis was revised to Contact Us for availability.

On 18<sup>th</sup> December 2023, the status for Chassis was revised to Order Book Closed.

On 13<sup>th</sup> February 2024, a typo was corrected in the preceding line starting with 18<sup>th</sup> December 2023. No changes in content were made in the remainder of the document or in the table below.

On 23<sup>rd</sup> November 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

## Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

## Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

## For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
