Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 22nd October 2018, the discontinuation of the manufacturing and supply of Software 45, 55, 61, 65, 74, & 75 for P841 was announced.

On 15th May 2019, the last order date for Software 45 for P841 was extended to 31st December 2021, subject to availability. The alternatives were revised to replace Software 76 & 82 with Software 79 & 87.

On 31st October 2019, the alternatives for Software 45 for P841 were revised to remove Software 57.

On 9th December 2019, the last order date for Software 45 for P841 was extended to 31st March 2023, subject to availability.

On 30th June 2020, the alternatives for Software 45 for P841 were revised to replace Software 79 & 87 with Software 69 & 81.

On 12th January 2022, the alternatives for Software 45 for P841 were revised to remove Software 81.

On 12th December 2022, the alternatives were revised to include P84 Software AA.

On 6th December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically

occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE

Software 75 For P841	15 th July 2019	P84 Software AA or P841 Software 57 Hardware K or P841 Software 79 Hardware M or P841 Software 87 Hardware M

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
