## Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 22<sup>nd</sup> October 2018, the discontinuation of the manufacturing and supply of Software 61, 65, & 66 for P543, P544, P545, & P546 was announced.

On 31<sup>st</sup> October 2019, this notice to discontinue of the manufacturing and sale of Software 61 for P543 was retracted and this offering remains available for purchase, subject to availability. Additionally, the alternatives were revised for Software 65 & 66 for P543, and Software 61, 65, & 66 for P544, P545, & P546.

On 30<sup>th</sup> June 2020, the alternatives were revised to include Software 91 and to replace Software 79 with 69.

On 12<sup>th</sup> January 2022, the discontinuation of the manufacture and sale of Software 61 for P543 was announced.

On 12<sup>th</sup> December 2022, the last order date for Software 61 for P543 ONLY was extended to 31<sup>st</sup> December 2023, subject to availability, and the alternatives were revised to include P54 Software AA.

On 18<sup>th</sup> December 2023, the last order date for Software 61 for P543 ONLY was extended to 10<sup>th</sup> December 2024, subject to availability. \* Please note that white livery is only available until 31<sup>st</sup> December 2023.

On 12<sup>th</sup> December 2024, the alternatives were revised from P54 Software AA to P54 Software AB. This notice was revised in accordance with GE Vernova rebranding guidelines.

On 6<sup>th</sup> December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

## Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

## Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

## For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
