## Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 30<sup>th</sup> June 2020, the discontinuation of the manufacturing and supply of Hardware B For S20 was announced.

On 10<sup>th</sup> May 2021, the offering was revised limiting it to Hardware B With High Voltage Power Supply Only For S20, and the last order date was extended to 31<sup>st</sup> December 2021, subject to availability.

On 20<sup>th</sup> September 2021, the alternative and its order code were revised from S20 Hardware C to S20 Hardware C With High Voltage Power Supply.

On 27<sup>th</sup> May 2022, this notice to discontinue of the manufacturing and sales of Hardware B With High Voltage Power Supply Only For S20 was retracted, and this offering remains available for purchase.

On 4<sup>th</sup> December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

## Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE
<b>Hardware B With High Voltage Power Supply Only For S20</b> Order codes: S20xx33PxxxxxxxxxB S20xx3XPxxxxxxxxxB	<b>Reintroduced To Portfolio – Offering Remains Available For Purchase</b>	

## Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

## For Additional Information
