## Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 10<sup>th</sup> May 2021, the discontinuation of the manufacturing and supply of Software 04 & 05 for P642, P643, & P645 was announced.

On 27<sup>th</sup> May 2022, the last order date for Software 04 for P645 ONLY was extended to 31<sup>st</sup> March 2023, subject to availability.

On 12<sup>th</sup> December 2022, the last order date for Software 04 for P642, P643, & P645 ONLY was extended to 31<sup>st</sup> December 2023, subject to availability. The last-time buy period for Software 05 for P645 ONLY was confirmed to have expired on 25<sup>th</sup> August 2022. Software 05 for P642 & P643 was incorrectly shown as order book closed but the last order date remains 31<sup>st</sup> March 2023 as previously announced and shown below.

On 18<sup>th</sup> December 2023, the last order date for Software 04 for P642, P643, & P645 ONLY was extended to 10<sup>th</sup> December 2024, subject to availability. \* Please note that white livery is only available until 31<sup>st</sup> December 2023.

On 12<sup>th</sup> December 2024, the alternatives were expanded to include to P64 Software AB. This notice was revised in accordance with GE Vernova rebranding guidelines.

On 13<sup>th</sup> November 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

## Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE

## Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

## For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
