Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 28th June 2023, the discontinuation of the manufacturing and supply of Software 06 for P645 was announced.

On 18th December 2023, the last order date for Software 06 for P645 was extended to 10th December 2024, subject to availability. * Please note that white livery is only available until 31st December 2023.

On 12th December 2024, the alternatives were revised to include to P645 Software 07 & P64 Software AB. This notice was revised in accordance with GE Vernova rebranding guidelines.

On 4th December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE
Software 06 For P645	10 th December 2024*	P64 MiCOM 5 th Generation Software AB or P645 Software 91 (IEC 61850 Ed 2) or P645 Software 07 (IEC 61850 Ed 1)

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
