Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

Effective 1st November 2015, the manufacturing and supply of PowerLink Advantage has been discontinued. PowerLink Advantage will no longer be supported even if components such as upgrade options may still be orderable. PLA users are encouraged to migrate to PowerLink Connect. For more information, see PRBT-0346.

On 15th December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.
