Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 27th May 2022, the discontinuation of the manufacturing and supply of Multinet FE was announced.

On 28th June 2023, the last order date was extended to 15th July 2024, subject to availability.

On 18th December 2023, the last order date was extended to 17th January 2025, subject to availability.

On 12th December 2024, the last order date was extended to 11th February 2026, subject to availability. This notice was revised in accordance with GE Vernova rebranding guidelines.

On 26th October 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

On 6th January 2026, the last order date was extended to 15th December 2026, subject to availability.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE
Multinet FE	15 th December 2026	Contact Us

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to

availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
