GRID Solutions

# 269 & 269 Plus End-of-Manufacturing/Supply Notice

Issued: 26<sup>th</sup> November 2010

Revision Dates:

- 21<sup>st</sup> September 2022
- 20<sup>th</sup> January 2026

Copyright © 2026 GE Vernoza

## Background

GE Vernoza Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 26<sup>th</sup> November 2010, GER-4393 269 & 269 Plus to 369 Upgrade Notification was issued.

In 2011, the manufacture and sale of the 269 & 269 Plus relays was discontinued.

On 21<sup>st</sup> September 2022, the notice format and the alternatives were revised to include 859.

On 20<sup>th</sup> January 2026, the notice format was revised.

## Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE
269	2011	859 or 369
269 Plus	2011	859 or 369

## Support

GE Vernoza's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

## For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
