## Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 28<sup>th</sup> June 2023, the discontinuation of the manufacturing and supply of NDO Straight Terminal Block Kit for 3 Series was announced.

On 18<sup>th</sup> September 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

On 21<sup>st</sup> December 2025, the Background section was revised to correct a typo.

OFFERING	STATUS	ALTERNATIVE
<b>NDO Straight Terminal Block Kit For 3 Series</b>  Order Code: 3S-NDO-STCONKIT	Order Book Closed	Contact GE Vernova

## Support

GE Vernova’s warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After order book closed, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

## For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
