## GE Renewable Energy - Corella ARAS PLM

Your GE representative "204009541@mail.ad.ge.com", has requested your access to the Corella ARAS PLM tool.

This tool is required for access to Part Definition Documentation related to Purchase Orders, Quotations, Qualifications, and other Collaboration efforts.
This tool has replaced SDX for GE Renewables Onshore/Offshore Wind and Hydro.

Please submit a request at this link to obtain a GE B2B SSO ID if you don't have one and then
Login with your GE B2B SSO ID here to confirm access request to Corella PLM.

Once you have gained access (you will receive a confirmation email once access has been approved), log in here.

If you would like to raise an issue, contact: Email: GERenEnergy.SupplierSupport@ge.com
Be specific with your issue!
Include:
- Username
- Issue description
- Screenshot if there is an error message

Corella Support Team,
GE Renewable Energy

- Link is only used if you do not have a GE SSO ID
- Link is not to begin the 2 factor authentication & Access process
- Link is to the Corella Tool Homepage – this cant be used until after you get an email saying that access was granted.
  - Access should have been granted if there is an access issue, use the email here or contact the eSourcing team listed on the Supplier Portal page
  - Supplier Portal page: https://supplierportal.ren.apps.ge.com/
  - Direct link to training: Supplier Portal->Menu->Application Training Documents
