

Pattern Energy closes \$11 billion financing of largest clean energy infrastructure project in U.S. history

Pattern Energy Group LP, a leader in renewable energy and transmission infrastructure, has closed an \$11 billion non-recourse financing and begun full construction of SunZia Transmission and SunZia Wind, which together is the largest clean energy infrastructure project in U.S. history.

A \$2.25 billion tax equity term loan facility was provided by Banco Santander, S.A, New York Branch and Santander Bank N.A. (SBNA) as Joint Coordinating Lead Arrangers. Bank of America, GE Vernova's Financial Services business, Natixis Corporate & Investment Banking and Royal Bank of Canada acted as Joint Lead Arrangers.
