

GE Energy Connections Supplier Responsibility Guidelines

Direct Material Supplier SRG Pre-Qualification Form EC-SRC-0011 Rev: 1.0

1. General Instructions

The scope of this pre-qualification questionnaire is to obtain from your company a summary of EHS performance/injury & illness statistics, EHS programs, and related businesses practices.

It is strongly recommended that this questionnaire is completed by your company Safety Manager or designated EHS professional.

2. Sections Applicability

This questionnaire contains 2 sections and both are <u>mandatory</u> for direct material suppliers in SRG mandatory (Category 1) countries.

- SECTION 1: COMPANY PROFILE & BUSINESS PRACTICES
- SECTION 2: EHS PERFORMANCE, PROGRAMS & SERVICE

All questions must be answered and details provided when required. Incomplete responses or missing information will result in delay of the approval process or in disapproval of your submittals.

If a subsection or specific question is not applicable to your business, mark as "N/A" and provide related details when required.

Additional information or support documentation can be requested for verification based on the type of activity to be performed.

3. Submittals
