

Sales volume of EVs important than subsidy for localisation of parts, says Maruti MD

SALES VOLUME of electric vehicles more important than subsidy for localisation of parts and the automobile industry must not wait for incentives to get into electric vehicles, instead so do it now according to Maruti Suzuki India Ltd (MSIL) MD Gaurav Gupta.

MSIL CEO Gaurav Gupta said on Wednesday:

"The logical fact which can't be localised is volume. Vehicles are more important than subsidies."

He said hybrid vehicles and electric vehicles are more important than subsidies.
