I'm a new user and I don't have a GE
SSO User ID

Step 1: Create a GE SSO User ID

- Click on the link below
<https://registration.gpower.com/registration/>
- Click [here](#) to register

Step 1: Create a GE SSO User ID

- Complete the registration form – after clicking Register, a new form will appear. Complete the form in it's entirety
- As you complete each field the form will validate your entry. If there are no issues with your entry, you will see a green border appear around the entry field as well as a “check” icon – see sample below:

First Name

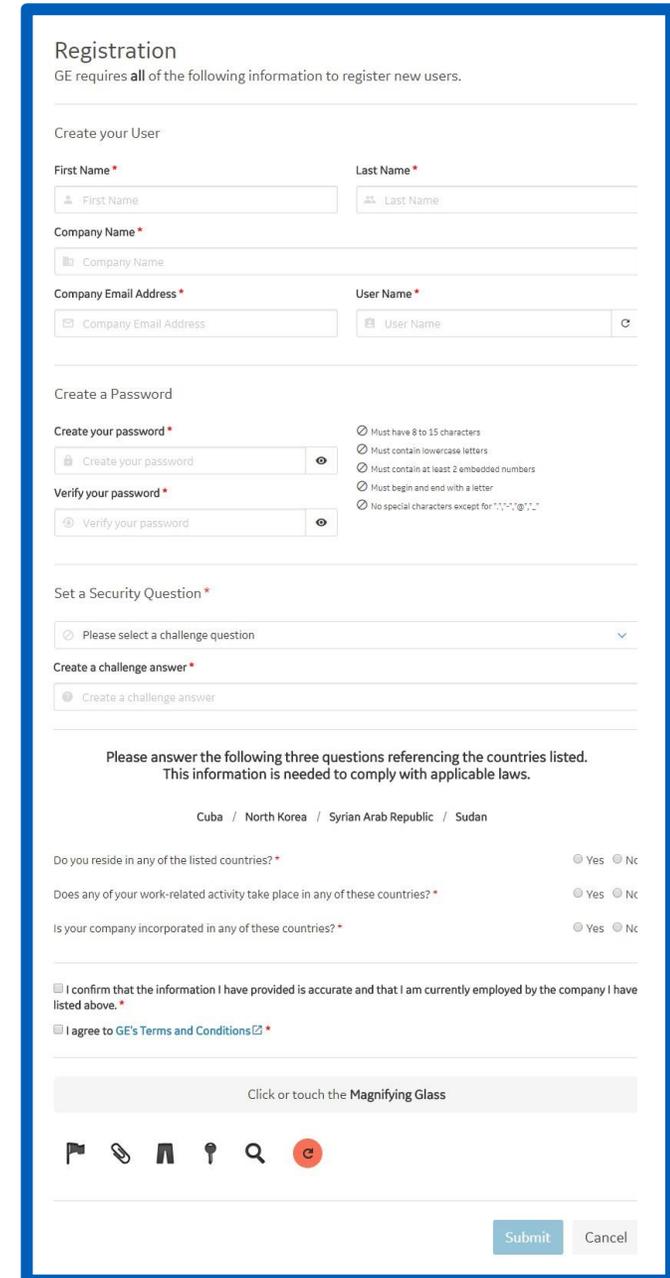

If, however, a field fails validation, you'll be prompted appropriately and the field will show in a red border

User Name *

testuser

This username is not available

Registration
GE requires all of the following information to register new users.

Create your User

First Name * Last Name *

Company Name *

Company Email Address * User Name *

Create a Password

Create your password *
Verify your password *

Set a Security Question *

Create a challenge answer *

Please answer the following three questions referencing the countries listed.
This information is needed to comply with applicable laws.

Does any of your work-related activity take place in any of these countries? *
Is your company incorporated in any of these countries? *

I confirm that the information I have provided is accurate and that I am currently employed by the company I have listed above. *

I agree to GE's Terms and Conditions *

Click or touch the Magnifying Glass

Submit Cancel

Step 1: Create a GE SSO User ID

IMPORTANT NOTE: several of these questions (shown at the right) are mandatory for legal and compliance purposes **ensuring we protect the data and intellectual property of you, your company and GE.**

If you have a question or concern about any of these questions, consult with your appropriate business management / sourcing representative.

Please answer the following three questions referencing the countries listed.
This information is needed to comply with applicable laws.

Cuba / North Korea / Syrian Arab Republic / Sudan

Do you reside in any of the listed countries? * Yes No

Does any of your work-related activity take place in any of these countries? * Yes No

Is your company incorporated in any of these countries? * Yes No

I confirm that the information I have provided is accurate and that I am currently employed by the company I have listed above. *

I agree to [GE's Terms and Conditions](#) * *

Step 1: Create a GE SSO User ID

- After you complete the registration form, you will see a “**Submit**” button become active at the bottom of the screen. Click “Submit” to proceed

Your information will be reviewed one final time to ensure all fields are properly filled out. Upon successful validation and submission, you will see a confirmation message and be prompted to sign in.

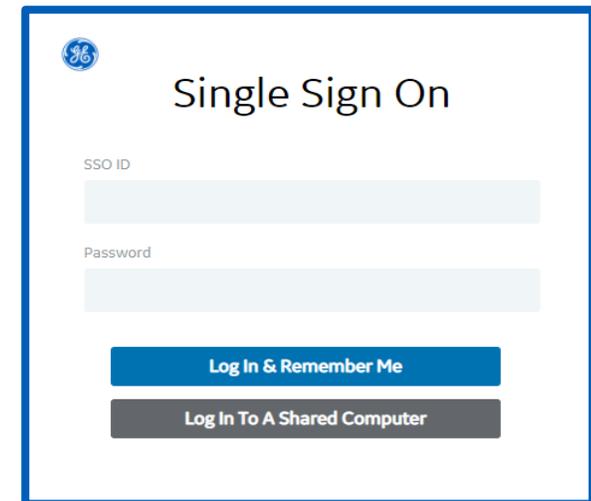

- You will need to sign in again.
This is an increased security precaution to ensure your information is not being compromised
- Click “Sign In” and enter your new user name and password to request access to application(s)

A horizontal bar with a blue border containing two buttons: a blue "Submit" button and a grey "Cancel" button.

A green horizontal bar with a blue border. On the left is a green checkmark icon. To its right is the text "Your new user account has been created!" followed by "For security purposes, please sign in to continue". On the right side is a white button with a blue border that says "Sign In →".

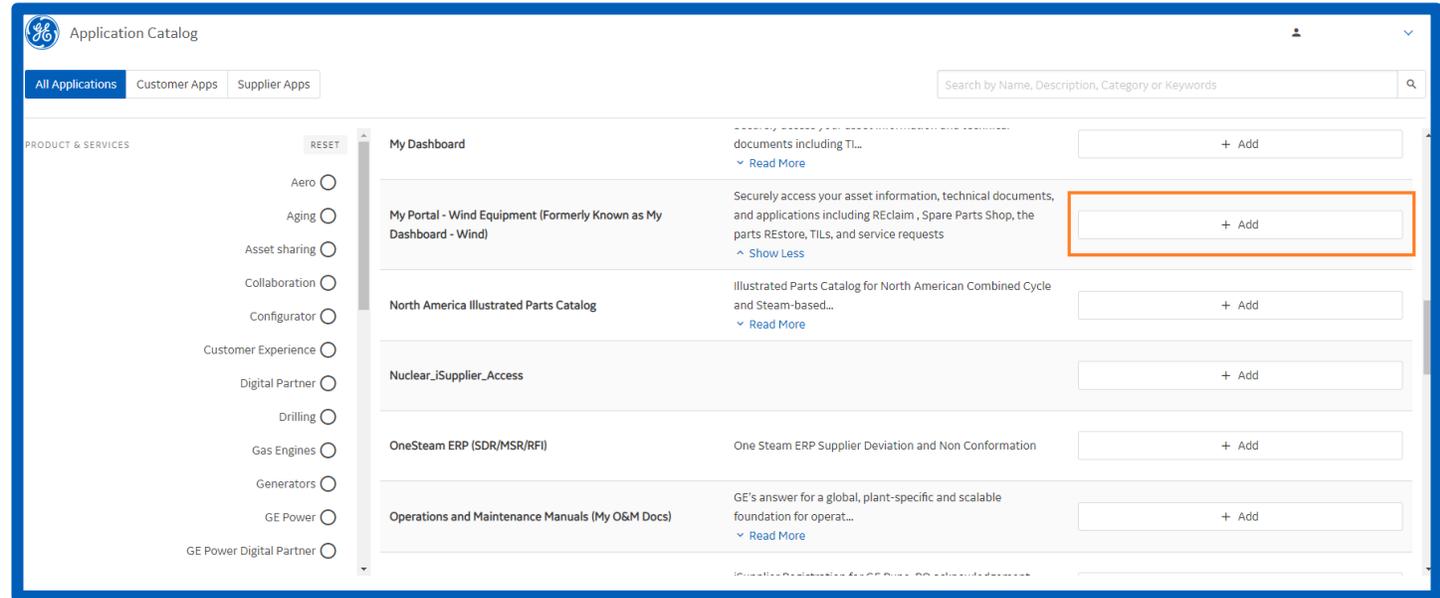

A login form titled "Single Sign On" with the GE logo in the top left. It contains two input fields: "SSO ID" and "Password". Below the fields are two buttons: a blue "Log In & Remember Me" button and a grey "Log In To A Shared Computer" button.

Step 2: Request Access to the GE Renewable Energy Shop

- After successful creation of your GE SSO User ID you will need to browse the Application Catalog
- Look for ‘[My Portal – Wind Equipment \(Formerly known as My Dashboard –Wind\)](#)’ and click on the ‘ + Add ’
- Once one or more applications are selected, the “**Request Access**” link becomes available at the top of the Application Catalog. Click it to continue.

[Request Access](#)

[Click here to request access to your applications.](#)

Step 2: Request Access to the GE Renewable Energy Shop

- Once you click “Request Access”, you will see a pop-up form appear. Please answer the additional questions based on your selections
- If you need access to additional applications select “Multiple”. If you only need access to the GE Renewable Energy Shop select “Single”.
- Select [Parts Identification and Ordering](#) to get access to the GE Renewable Energy Shop
 - Tips:*
 - “Parts Identification and Ordering” is GE Renewable Energy Shop*
 - “Parts Warranty Request” is REclaim*
 - “Renewables Customer cases” for RCS portal.*
 - TILS are located under “Single” Application*
- Once you have answered all required questions, click “Submit” to process your request.

Please answer the following questions to request access to your selected applications.

Questions for:
My Portal - Wind Equipment (Formerly Known as My Dashboard - Wind)

I am an *

- Employee of the Equipment owner company
- Purchasing Agent or Third Party Service
- O & M provider
- Other

Pole *

- America
- Europe
- Asia

Select a country ▼

Official Contact Number *

Are you requesting access to one REconnect application, or to multiple REconnect applications? *

- Single
- Multiple

Select the applications for which access is required *

SELECT ALL VALUES THAT APPLY. RESET

- Parts Identification and Ordering
- Monthly Availability Log
- Part Warranty Requests (Americas Only)
- Renewables Customer Cases

Please list your company's Wind Farms *

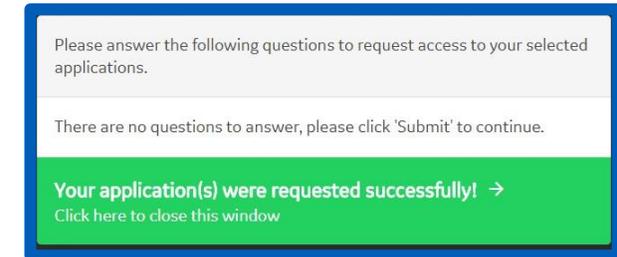

For access to our Parts Ordering Tool

- I need to purchase parts
- I need to search parts, only
- Other or N/A (provide comments below)

Step 2: Request Access to the GE Renewable Energy Shop

- After you click “Submit”, you will receive a confirmation message indicating your request has been sent for processing. Close the window as directed to return to the Application Catalog
- If you receive an error message, there may be an issue processing your request at this time. You may either try again a little later or use the “Need help? Contact Us” feature to send us a ticket detailing your issue
- After successful submission, you will see the status for your selected application(s) change to “Pending”
- This status will be updated as your request is processed reviewed and processed by the application team. You will also receive an email once you’re granted access
- Once you have access you can browse shop.gerenewableenergy.com by using your SSO credentials

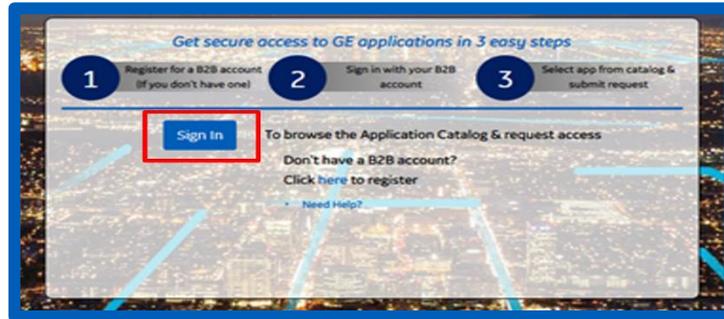

I have a GE SSO login, but I'm a new user to the GE Renewable Energy Shop (ecommerce)

Step 1: Login to your GE SSO User account

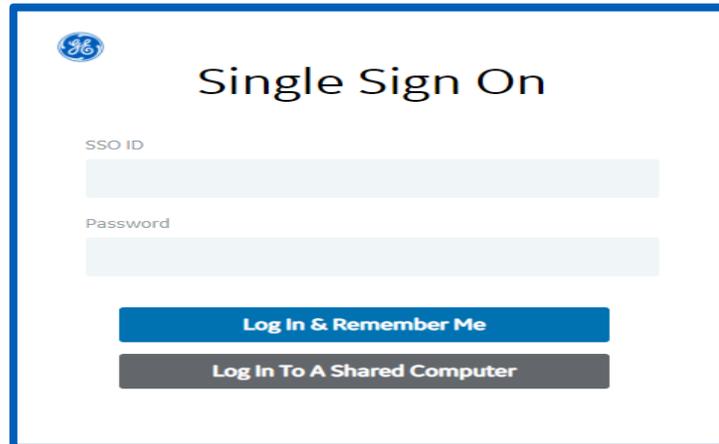

- Click on the link below

<https://registration.gepower.com/registration/>

- Select 'Sign In'

- Enter your user name (also referred to as SSO ID) and password to log in

A screenshot of the GE Single Sign On login form. It features the GE logo at the top left. The title "Single Sign On" is centered. Below the title are two input fields: "SSO ID" and "Password". At the bottom, there are two buttons: "Log In & Remember Me" (blue) and "Log In To A Shared Computer" (grey).

Step 2: Request Access to the GE Renewable Energy Shop

- Once you're on the Application catalog, click on the **"Pending"** button which results to mark the application as **"Update"**

The screenshot shows the GE Application Catalog interface. At the top, there is a search bar and navigation tabs for 'All Applications', 'Customer Apps', and 'Supplier Apps'. Below the search bar, there is a 'PRODUCT & SERVICES' section with a 'RESET' button and a list of categories: Aero, Aging, Asset sharing, Collaboration, Configurator, and Customer Experience. The main content area displays a list of applications. The first application is 'My Portal - Wind Equipment (Formerly Known as My Dashboard - Wind)'. It has a description: 'Securely access your asset information, technical documents, and applications including REclaim, Spare Parts Shop, the parts REstore, TILs, and service requests'. To the right of this application, there is a yellow button labeled 'Pending'. A blue box highlights this button. Below it, there is another application 'North America Illustrated Parts Catalog' with a description: 'Illustrated Parts Catalog for North American Combined Cycle and Steam-ba...'. To the right of this application, there is a blue button labeled 'Update'. A blue box highlights this button. A blue arrow points from the 'Pending' button to the 'Update' button.

- The "Request Access" link becomes available at the top of the Application Catalog. Click on it to continue.
